

PROGRAM

SHOW AND NATIONAL AUCTION

Introduction:

Re: Show Program

During the recent Council meeting, the Council decided to invite all breeds to join the show and exhibit livestock at the Afridome in Parys this year.

Thanks to a generous donation of canopies to the Afridome by Mr. Jan Serfontein, approximately 1200 stables will be available this year.

The above-mentioned donation and willingness of Mr. Dries Venter (owner of the Afridome) to create additional facilities makes it possible to host an all-breed livestock show for the first time.

A written invitation has already been sent to all beef cattle breeds and in due course dairy cattle, small stock and poultry will be included.

The opportunity exists to host an unprecedented livestock expo.

Re: National Auction Program

Selection will take place on your farm this year before the National Auction by the Breed Director, Mr. Sietze Smit, as well as during the show week by two Interbreed judges.

All members are requested to enter their highest quality Brahman.
